PRELIMINARY AMENDMENT

Sir:

Applicants request that the following amendments be made to the above application prior to Examination on the merits:

In the Claims:

Please add the following new claims 23 and 24:

--23. A system to coordinate and display information related to a process variable comprising:

a workstation including a display screen;

a first display region on the display screen that displays process trends related to the process variable; and

a second display region on the display screen that displays a table of event records related to the process variable.
